## STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF CLAREMONT, IN THE COUNTY OF SULLIVAN, IN SAID (L.S.) STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall, in said town, on Tuesday, the ninth day of March next, at eight o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.

2. To choose one member of the board of three trustees who have the custody of all the trust funds of the town, to serve for three years.

3. To choose a committee for Stevens High School for the ensuing year.

4. To choose three members of the board of trustees of Fiske Free Library to serve for the term of three years.

5. To see if the town will choose or appoint a committee of citizens to act as a committee of finance, whose duty it shall be to investigate all proposed appropriations, previous to the next annual town meeting, and report their recommendations at said meeting.

6. To see what sum of money the town will vote to raise and appropriate to pay town officers of the town for the fiscal year ending January 31, 1921.

7. To see what sum of money the town will vote to raise and appropriate for incidental expenses of the town for the fiscal year ending January 31, 1921.

8. To see what sum of money the town will vote to raise and appropriate for the repair of highways and bridges for the fiscal year ending January 31, 1921, and determine how the same shall be paid.

9. To see if the town will vote to raise and appropriate the sum of \$2,235.00 for the maintenance of State Highways for the ensuing year.

10. To see if the town will vote to raise and appropriate the sum of \$1,730.00 for the maintenance of the new trunk line for the ensuing year.

11. To see if the town will vote to raise and appropriate the sum of \$550.00 for the repair of culvert on Mulberry street near the south end of Pleasant Street Cemetery, and pass any vote relating thereto.

12. To see if the town will vote to repair Prospect Street,

determine in what manner the work shall be done and appropriate money therefor, or borrow money on promissory notes, or bonds of the town for said purpose.

13. To see if the town will vote to raise and appropriate the sum of \$1,200.00 for the purpose of draining Woodland Street and vicinity.

14. To see if the town will vote to install adequate drainage system on Park Avenue and raise and appropriate money therefor.

15. To see if the town will vote to install a suitable drainage system on Lower Main Street and pass any vote relating thereto.

16. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for the purpose of building new sidewalks and repairing those now in use.

17. To see if the town will vote to raise and appropriate a sum not to exceed One Thousand (\$1,000.00) Dollars to purchase a Scarifier for the use of the Highway Department and pass any vote relating thereto.

18. To see if the town will vote to buy a motor driven truck for the use of the Highway Department, and raise and appropriate money therefor.

19. To see if the town will vote to buy and install a stone crusher for the Highway Department, and raise and appropriate money therefor.

20. To see what sum of money the town will vote to raise and appropriate for sprinkling, oiling and cleaning the streets and highways of the town.

21. To see if the town will vote to increase the pay of the Firemen, and pass any vote relating thereto.

22. To see what sum of money the town will vote to raise and appropriate for the support of the Fire Department for the fiscal year ending January 31, 1921.

23. To see what sum of money the town will vote to raise and appropriate for the use of hydrants for the fiscal year ending January 31, 1921.

24. To see if the town will vote to raise and appropriate the sum of \$400.00 for the purchase of battery elements and line supplies, and pass any vote relating thereto.

25. To see what sum of money the town will vote to raise and appropriate for street lights for the year ending January 31, 1921.

26. To see what sum of money the town will vote to raise and appropriate for the support of the town poor for the fiscal year ending January 31, 1921.

27. To see what sum of money the town will vote to raise and appropriate to pay the debts of the town.

28. To see if the town will vote to raise and appropriate the sum of \$791.13 to meet payments maturing on or before November first, 1920, of principal and interest on notes issued by the School District to pay the Way School Building.

29. To see if the town will vote to raise and appropriate the sum of \$2,400.00 to meet payment maturing on or before July 1st, 1920, of principal and interest on notes issued by the School District to pay for the North Street School building.

30. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

31. To see what sum of money the town will vote to raise and appropriate for the benefit of the American Band.

32. To see if the town will vote the use of the band room in Library Block for One (\$1.00) Dollar per year.

33. To see if the town will vote to raise and appropriate the sum of \$2,400.00 for the support of Fiske Free Library agreeable to the contract with Andrew Carnegie and Samuel P. Fiske.

34. To see what sum of money the town will vote to raise and appropriate for the support of Stevens High School for the ensuing year.

35. To see if the town will vote to raise and appropriate the sum of \$2,000.00 to take care of and beautify the cemeteries of the town.

36. To see what sum of money the town will vote to raise and appropriate for the maintenance and development of Monadnock park for the ensuing year.

37. To see if the town will vote to raise and appropriate \$400.00 to be used in the up-keep and general repairs of the town building.

38. To see what action the town will take in regard to the collection of garbage and refuse, and raise and appropriate money therefor.

39. To see if the town will vote to increase the salary of the Tax Collector.

40. To determine the rate of discount the town will allow persons paying their taxes within such period as the town may determine.

41. To see if the town will vote to pay the Selectmen, Assessors and Police Officers the sum of Four (\$4.00) per day.

42. To see if the town will vote to increase the salary of the Town Clerk to Six Hundred (\$600.00) Dollars per year, and the Overseer of the Poor to Seven Hundred (\$700.00) Dollars per year.

43. To see if the town will vote to raise and appropriate a sum not to exceed \$3,000.00 to purchase additional equipment for the Mechanic Arts Department of Stevens High School.

44. To see what sum of money the town will vote to raise and appropriate for alterations in the building of Stevens High School.

45. To see if the town will vote to give to the organizations of the Grand Army, Spanish War Veterans, American Legion, and their Auxiliary organizations, the use of the rooms in the Old Fiske Library Block now occupied by Morris Wolk and H. S. Richardson, for a rental of One (\$1.00) Dollar a year, and to raise and appropriate a sum not to exceed One Thousand (\$1,000.00) Dollars for alterations to make the rooms suitable for the use of said organizations; or if the town will provide at this meeting for other suitable quarters for said organizations.

46. To see if the town will vote to instruct the Assessors to issue a printed report of the real estate valuations of 1920, and raise and appropriate a sum not exceeding Two Hundred (\$200.00) Dollars for the expense of the same.

47. To see if the town will vote to raise and appropriate the sum of One Hundred (\$100.00) Dollars to be expended for White Pine Blister Rust control work in cooperation with the State and Federal governments.

48. To see if the town will vote to authorize the Selectmen to negotiate with agents of the Claremont National Bank for the sale to said Bank, of a strip of land in the rear of the Bank Building, and, in case satisfactory terms are agreed upon, to act as agents of the town in making conveyance to said Bank.

49. To see if the town will vote to install an electric light on approach leading from Hanover Street to the Claremont General Hospital buildings.

50. To see if the town will vote to install an electric light at the intersection of Bailey Avenue, Putnam and Spofford Streets.

51. To see if the town will vote to raise and appropriate money for the celebration of Old Home Day, provide the necessary agency for expenditure and pass any vote relating thereto.

52. To see if the town will vote to raise and appropriate the sum of One Thousand (\$1,000.00) Dollars to erect a suitable shed to house the steam road roller and other tools and machinery, on land belonging to the town, north of the new Central Fire Station, and pass any vote relating thereto.

53. To see if the town will vote to give the use of the Opera House at four different times during the year, of the Town Hall twice during the year, when not otherwise in use, to the Stevens High School.

54. To see if the town will vote to give the free use of the Town Hall such times as may be selected by them to the amount of One Hundred (\$100.00) Dollars, when the hall is not otherwise engaged, to the American Band.

55. To see if the town will vote to give the use of the Town Hall at four different times during the year, and of the Opera House three different times during the year, when not otherwise engaged to the Ladies' Union Aid Society, for the benefit of the Claremont General Hospital.

56. To see if the town will vote to give the Fire Department the free use of the town hall and cloak rooms, on such nights as they may desire to hold their annual Fireman's Ball, when the hall is not otherwise engaged.

57. To act on the report of the War Memorial Committee appointed at the last town meeting, and to see what money shall be raised in connection with the report.

58. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-third day of February, Nineteen Hundred Twenty.

HARTLEY L. BROOKS,  
ARTHUR L. FITCH,  
JOHN M. HOWE,

Selectmen of Claremont.

Election Officers—Moderator, Town Clerk, Selectmen, Ray E. Tenney, Assistant Moderator, Paul A. Mineau, Victor Charron, Charles Demers

Probation Officer—Daniel E. White

## To the Public

---

We hereby submit to the citizens of Claremont the following statements of the various accounts and reports of the agents of the town for the year ending January 31st, 1920.

The requirements of our highways and bridges, caused by the use of the automobile, make road building in Claremont our big problem. Permanent road construction when possible should be our policy.

The report of the Highway Agent shows an overdraft which may seem large. The explanation, however, is in the amount expended for necessary permanent improvements, and not considered when the appropriation for road work was made. The following items of expense were not foreseen and were of such a nature that the outlay of money was necessary.

The Fire Station approach on Broad Street, new bridge near the middle reservoir, surfacing Windsor road, resurfacing Maple Avenue, blasting rock and repair of Bible Hill road, grading and widening the river road to Charlestown, resurfacing and widening South street. The cost of the above items was over \$4,000.

The highway department is in need of new, modern and efficient road building machinery. We recommend the purchase of a scarifier, also a motor driven truck for use by the highway agent.

The supply of road building material has become a serious question. The gravel which the agent has been using will soon be exhausted and a new supply must be found.

This matter of road building material was recently taken up by the selectmen with the State Highway Commission and the state engineer for this division. Unfortunately road gravel in this vicinity is poor in quality and limited in supply. A similar condition is to be found in many of our New Hampshire towns and a search is being made by the state authorities for a new source of supply. A solution of this difficulty may be in crushed stone.

Following the advice of the State Highway Commission, samples of rock taken from several ledges in different

parts of the town have been sent to the state chemist at Concord for analysis to determine their value for road building material. The report is not complete. We expect, however, at least one ledge with an unlimited supply of rock will prove of value.

The sum of five hundred dollars was appropriated to build a shed north of the Fire Station. This amount was too small for the building of the proposed shed. An additional sum should be raised.

Belonging to the town near the Fire Station is a valuable plot of ground, the north boundary line being at the foot of the bank. Along this north line was constructed a heavy cement wall about twelve feet high and one hundred and sixty-two feet long, at a cost of \$1400. By building this wall the amount of land made available was nearly doubled. The cement wall can now be used as a part of the foundation for the much needed new shed.

The building of River Street was postponed at the request of the Sullivan Machinery Co., which has under construction a large addition to their plant, making it necessary to keep River Street open for travel and the moving of building material.

Signed

HARTLEY L. BROOKS,  
ARTHUR L. FITCH,  
JOHN M. HOWE,

Selectmen of Claremont.

# Receipts and Payments

Welch & Riley, painting motor truck	50.00
Town Treasurer, balance on hand	
Dec. 31, 1919	15,595.17
	<hr/>
	\$26,140.18

The committee appointed at the March Meeting in 1918 to ascertain the original cost of the Water Works and the financial standing between the Town and the Water Works Jan. 1, 1919 rendered the following, which was accepted by the Town:

Original cost of the Water Works	\$157,766.41
Total cost of the Water Works Jan. 1, 1919	\$526,913.87
Total amount paid from Water Works	
Treasury to Jan. 1, '19	324,631.81
Net cost of Water Works to Town	
	<hr/>
Jan. 1, 1919	202,282.06
Total Water Works Bonds outstanding	
Jan. 1, 1919	212,720.00
Financial Standing between the Town and the Water Works, Jan. 1, 1920.	
Total cost of the Water Works Jan. 1, 1919	\$526,913.87
Int. on net cost of Works (\$202,282.06)	
for 1919 paid by Town	8,091.30
Water Commissioners' salaries for 1919	
paid by Town	75.00

Construction for 1919 paid from Water Works earnings	\$ 1,265.50
Running expenses for 1919 paid from Water Works earnings	8,700.02
	<hr/>
Total cost of Water Works Jan. 1, 1920	\$545,045.69
Amount paid from Water Works Treasury to Jan. 1, 1919	\$324,631.81
Construction for 1919 paid from Water Works earnings	1,265.50
Running expenses for 1919 paid from Water Works earnings	8,700.02
Cash paid to Town in 1919 from Water Works earnings	15,595.17
	<hr/>
Amount paid from Water Works earnings to Jan. 1, 1920	\$350,192.50
	<hr/>
Net cost of Water Works to the Town Jan. 1, 1920	\$194,853.19
Total Water Works Bonds outstanding Jan. 1, 1920	\$209,020.00
Decrease in the net cost of Water Works to the Town in the year 1919, \$7,428.87.	

DELOR L. FLOYD, Treasurer.

## SUPERINTENDENT'S REPORT

*From Jan. 1, 1919 to Dec. 31, 1919.*

Main pipes have been laid as follows:

In Washington St., 20 ft. of 12 in. pipe to take the place of 20 ft. 12 in. cement pipe.

In Hanover St., 794 ft. of 6 in. pipe to take the place of 140 ft. of 4 in. and 654 ft. of 2 in. pipe.

In Fern St., 515 ft. of 6 in. pipe to take the place of 515 ft. of 4 in. cement pipe.

In Lafayette St., 31 ft. of 6 in. pipe.

In River St., 866 ft. of 2 in. pipe to take the place of 626 ft. of 1½ in. and 240 ft. of 2 in. pipe.

In Elm St., 321 ft. of 1½ in. pipe.

In Yale St., 88 ft. of 1 1-2 in. pipe.

In Sunny Side Ave., 154 ft. of 1 1-4 in. pipe.

Total number of feet of main pipe laid during the year 2,789.

Total number of feet of main pipe taken out during the year 2,195.

The number of feet of main pipes Dec. 31, 1919 are as follows:

267 ft.	24 in. cement
8,217 ft.	12 in. cement
7,609 ft.	8 in. cement
13,010 ft.	6 in. cement
10,020 ft.	4 in. cement
7,010 ft.	20 in. iron
444 ft.	16 in. iron
2,236 ft.	12 in. iron
2,030 ft.	10 in. iron
14,494 ft.	8 in. iron
35,572 ft.	6 in. iron
8,071 ft.	4 in. iron
20,390 ft.	2 in. iron
10,781 ft.	1 1-2 in. iron
4,551 ft.	1 1-4 in. iron
1,457 ft.	1 in. iron

Number of feet of cement pipe	39,123
Number of feet of iron pipe	107,036
<hr/>	
Total number of feet of main pipe	146,159
Equal to 27 miles and 3,599 feet.	
Street gates set during the year as follows:	
In Washington St.	1—12 in.
In Fern St.,	3— 6 in.
In Main St.,	1— 6 in.
In Lafayette St.	1— 6 in.
In Hanover St.,	2— 6 in.
In Yale St.,	1— 1 1-2 in.
In Sunny Side Ave.,	1— 1-4 in.
Number of street gates set during the year	10
Number of street gates taken out during the year	3
Total number of street gates Dec. 31, 1919	341
Total number of blow off gates Dec. 31, 1919	14
Number of public hydrants added during the year	0
Total number of public hydrants Dec. 31, 1919	102
Total number of private hydrants Dec. 31, 1919	31
Total number of hydrants	133
Number of services added during the year	15
Total number of services	1,347
Number of meters added during the year	25
Total number of meters	983
Number of leaks in the mains during the year	3
No water was pumped from the wells during the year 1919.

---

The circulation of books and magazines for home use exceeded that of 1918 by 3600 items, the entire number be-

ing 39,511, or an average of  $136\frac{1}{4}$  for the 290 days the library was open.

The largest gain was in the children's department, where all classes of books had an unusual demand. The interest and advice of the teachers has much to do with this desirable use by the children.

Five hundred and eighty-eight books have been added, one hundred and twenty-seven being gifts.

Four hundred and forty-four persons registered during the year.

Although there is space for little but the names of givers, there are some special contributions that should be mentioned.

Mrs. Story has taken photographs of many of the interesting buildings and has added other material of local and general interest, as has Mrs. Charlotte Hendee Watson: Mr. Lawrence Tolles has given rare town reports; the Misses Anne and Elizabeth Hoban a set of fractional currency and some rare Confederate money; Miss Field, a "Certificate of Value" issued by Jersey City in 1862, and a painting of Ascutney Mountain by Rodney Miller; Miss Ida C. Bracher of New York, a set of Polish stamps and pieces of money, secured during her visit to Poland with the Red Cross mission in 1918; Mr. Gawin Gilmore, the records of the Claremont Library Society from 1793 to 1834, store days books of early merchants, one kept in 1797 the other in 1829; Mrs. R. W. Hopkins and Miss Elizabeth Coburn, two souvenirs of a doctor's life before the day of many pharmacists—a pair of saddle bags and an iron mortar and pestle used by their grandfather, Dr. Leland J. Graves, and a Cluny lace handkerchief carried by their mother at her wedding. Books given by Mr. Harry Dickinson, from his mother's estate, through the Parish Aid Society of Trinity Church.

Two typical paintings of early days, by the daughters of Rev. Caleb Dustin, were given by their kinsman, Mr. George P. Rossiter.

Mrs. Ira Colby gave many souvenirs of Miss Mary E. Colby's teaching service in South Africa. Also a fireboard painted by Miss Marion Richards, showing the village from her house on High street, facing Chapel Street, painted probably in 1837. This has a key and is well worth examining.

Mr. Sherman Evarts of Windsor gave several autographs.

A gift of \$30 by Mr. George B. Upham again helped in the purchase of books.

Much of value has come from the Federal and State governments, from societies, business houses and individuals all of which is very much appreciated.

Miss Gilmore attended the meeting of the New Hampshire Library Association held in Meredith, in June, at which time she was reelected Secretary of the organization.

Mrs. Ide attended a meeting of the Massachusetts Library Commission held in Boston, in July.

Mrs. Florence Kingsley has assisted in the library from time to time during the year.

Trustees of Fiske Free Library,

IRA G. COLBY, Secretary.

## Report of Chief of Police

---

To the Honorable Board of Selectmen of the Town of Claremont:

I have the honor to submit to your honorable board my fourth annual report of the work performed by the members of the police department of the town of Claremont, for the year ending Jan. 31st, 1920.

The force consists of three regular and two special policemen.

The number of arrests made during the year were 125 of which 2 were juveniles and are classed as follows:

Drunks	42
For assault	11
Larceny	12
Non-support	8
Rape	1
Carrying concealed weapons	2
Forgery	1
Transporting liquor	10
Indecent exposure	1
Operating auto recklessly	4
Arrests for out of town officers	9
Keeping liquor for sale	4
Discharging cannon	1
Driving auto while drunk	4
Adultery	3
Disturbing the peace	1
Operating auto without license	1
Violating traffic laws	2
Vagrancy	1
Breaking and entering	7

Complaints were disposed of as follows:

Paid fine and costs	75
Committed to County Farm	6
Bound over to Superior Court	10
Appeal to Superior Court	3
Taken to Concord by U. S. Marshall	10
Suspended sentence	10
Discharged by Court	6
Put on probation	5
Number of tramps given lodging	230
Business places neglecting to lock doors	24
Lost children restored to parents	25
House fires attended by police	

All of which is respectfully submitted,

D. E. WHITE, Chief of Police.

# Report of Health Officer

---

## REPORT OF HEALTH OFFICER

To the Board of Selectmen:

Communicable diseases were reported during the year ending January 31, 1920 as follows: typhoid fever 3; diphtheria 2; scarlet fever 1; venereal diseases 29. There have also been numerous cases of measles; and two deaths from tuberculosis were reported.

Twenty-two rooms were fumigated.

Nuisances were complained of and attended to as follows:

Dirty premises	14
Dumps	4
Dead animals	11
Defective drains	7
Privies	4
Pig sties	4
Manure piles	1
Over-flowing cesspool	2
Miscellaneous	7

Five signs have been posted. Five samples of water have been sent for analysis to the State Laboratory of Hygiene.

A contract for the collection of garbage from May 1 to Nov. 1 was made this year for the price of \$395, and collection was made for that period.

Two boys bitten by a dog suffering from rabies were given treatment at the expense of the Town. Among the

cases of venereal diseases two were unable to pay for treatment, and their expenses at least in part will probably be paid by the Town.

The health officer has accompanied the State Inspectors on their visits here for the enforcement of the food and drug acts.

Respectfully submitted,

F. W. JOHNSTON, Health Officer.

# Report of Stevens High School

---

To the Stevens High School Committee:

I have the pleasure of submitting, herewith, my first annual report of Stevens High School.

Beginning work in September 1919, it has been impossible for me to give a full report of the first part of the year.

A new headmaster, Mr. A. B. Kellogg, took charge of the school in September following his popular predecessor, Mr. H. L. Chase, who resigned to take up the supervision of the Charlestown Supervisory District. Mr. Kellogg has also found favor with pupils and teachers and has shown good ability in the school management. He is ably assisted in the routine of the office work by Miss Hardy.

Under the provision of the new state law, Stevens High School committee joined with Claremont School District to form a supervisory union and began joint work September 1, 1919. With this arrangement it is possible better to correlate the work of the high school with that of the elementary schools. Already conferences of teachers have been held and pupils have passed back and forth interchanging English exercises, oral composition being specially emphasized this year. A fine bit of teacher's training is now being worked out in Stevens High School English Department, in that the older pupils, after training in story-telling, are helping in the primary grades. Carrying out the plan already started, the junior high school has been placed on definitely approved standing by the state commissioner of education and it will now be possible to closely correlate the work with that of Stevens High School. This is a great advantage and should lead to a saving of time in the pupils' school life. As these plans and methods are perfected, the superintendent would like very much to plan later for a junior college to be located in Claremont. This would keep our pupils in town two years longer and

then send them directly to the university for specialized work, thus saving two years over the present plan of college and post graduate work.

Stevens High School has been fortunate in retaining several teachers who have served the school long and faithfully and with marked success. Others who have come to the teaching staff more recently have also taken a real interest for school welfare. Miss May L. Foster found it necessary to resign at Christmas time. Miss Eleanor Elliott, who directed the drawing, also left at this time for a more lucrative position in Massachusetts. Later, Miss Ora B. Craig, one of our strongest teachers, left to assume a more responsible and lucrative position in Connecticut.

With the general advance in salaries and cost of living, our teachers should receive generous increase after the next budget is raised. We cannot ask teachers who are doing the most responsible kind of work, to accept less than the factory and business operatives. Assistants should be provided for both the mechanic arts and English departments.

We have been fortunate in having a faithful and efficient janitor who has provided comfortable physical conditions for the school work.

The committee has generously allowed the use of the building for evening school work which is developing well this year. The state regulation now requires at least sixty nights during the year.

In addition to some minor repairs, provision should be made for preventing the noise from the shop disturbing the class work on the first floor. A balcony and painting are needed in the assembly hall. Some provision should be made for more class room next year. It would seem possible to remodel the old assembly hall for this purpose. Provision should be made for additional table space in the chemistry department and also for the improvement of the tables in the domestic science department. It will be necessary to replace some of the machines in the typewriting department and we should add two typewriters and an adding machine. In the mechanic arts department, there is need of power saws, planers, and a milling machine. The saw and planer would be economical purchases as lumber could be used to better advantage. An arrangement for drying lumber would cost little and would save much.

Practically every department in the school needs to be better equipped with reference books.

The introduction of medical inspection this year under care of Dr. R. H. Brooks has proved of great benefit, especially since through the kindness of the local Red Cross chapter, a nurse has been provided for full time. Miss Daisy M. Connor has been employed. It is a source of great satisfaction to the high school to know that Miss Connor will be at the building every day at a definite time and she always finds work outside of her routine duties. In response to an offer from the domestic arts department to do sewing, she finds worthy cases in her visits and brings orders to the school, material being furnished by the Ladies' Union Aid. Certainly Stevens High School District should join with the Claremont School District in raising money to hire a full-time nurse for the coming year.

The athletic work of the school has been carefully looked after by Mr. Hazen. Results in football were very successful and the winter sports are highly commendable. It is felt that character as well as physique is developed by manly sports. The school very much needs a well equipped gymnasium where corrective physical drills could be conducted as part of the regular school curriculum. The state is demanding definite work along this line.

The mechanic arts and domestic arts departments, in which good work is being done, sent exhibits to the Springfield Fair, receiving commendatory returns. Another year has been added to the mechanic arts course, making three, and an engine lathe has been installed. Boys from the class in electrical wiring have placed electric lights in the domestic arts room at Way building. The science department is cooperating here and also doing some other good practical work.

The Commercial department is doing an especially good piece of work in sending its pupils out into the offices of the town for actual business practice. Trips are taken to visit the various business establishments in the town.

The Latin, Spanish and French departments have shown the progressive spirit by the introduction of newspaper work and special collection books. The French Club has held meetings with French songs and conversation and has continued to support the war orphan as it did last year.

The headmaster, Mr. Kellogg, showed a live spirit in

really teaching Constitutional History, when he took the senior class to Concord to visit the Constitutional Convention then in session.

The work in music has developed very well under the care of Mr. Ladd. Since Mr. Ladd began sixteen years ago the chorus has grown from thirty voices to three hundred, and the instrumental work in about the same proportion. Mr. Ladd expresses high appreciation of the help of the headmaster, teachers and pupils in the music work this year.

Last June a class of fifty graduated. The total enrollment this year is 293 of which 280 are now in attendance. The enrollment last year was 261, giving a gain this year of 32.

Stevens High School is an approved, standard school and should receive generous consideration from the town when its budget is presented.

In conclusion, I wish to thank the teachers and school board for their kindness and cooperation.

Respectfully submitted,

F. W. JACKSON,

Superintendent of Schools.

February 1920.

Claremont, N. H., Feb. 17, 1920.

Accepted, approved and adopted as the report of the Committee.

HENRY N. HURD,

Secretary for the Committee.

## Chief Engineer's Report

---

The tabulation for the fire department for the year ending January 31, 1920, consists of eight bell alarms and 52 still alarms, not including brush fires, the report of which can be found under the report of the State Forestry Commissioners agent. The bell alarms were as follows:

March 26, box 22, 6:40 a. m., Frost's block, River street.

April 23, box 13, 2:10 a. m., Farwell block.

May 1, box 13, 3:30 a. m., Pony Lunch, Main street.

May 30, box 29, 1:15 a. m., false alarm.

November 6, box 47, 7:10 p. m., Meczelski's barn, North street.

November 20, box 3-2's, 12:55 p. m., A. Landry's house, Twistback road.

December 12, box 51, 8:15 p. m., Cone residence, Middle street.

December 14, box 51, 8:10 p. m., Dow house, Middle street.

### *STILL ALARMS*

The still alarms were of more consequence last year than usual for many would have warranted a bell alarm, but owing to the present efficiency of the department and equipment they were handled without resorting to the alarm, which in a measure, was a great saving to the town, in expense of firemen responding.

The instance of the Smith residence on the Windsor road, wherein the house was destroyed but the chemical saved the barn and other property. The Browe house on Lincoln street, was another bad fire handled by the chemical and the Lebrun house on Twistback road are a few of the instances that would have caused a bell alarm previous to our present facilities.

A bell alarm is still essential in many cases and the public should not be backward in ringing in the same if the fire is of sufficient consequence. The still alarm has worked wonders, in the way of the department getting a quick start and thus being at the fire in its infancy.

### *HYDRANTS*

No new hydrants have been added to the system this year.

### *RECOMMENDATIONS*

I do not recommend any new purchases this year, owing to the extreme high prices of everything pertaining to the fire department, except the usual incidentals that come up for immediate attention. Our present equipment is in such a condition that I feel that this action is warranted and in keeping with perfect service as far as the fire department is concerned.

### *FIRE ALARM SYSTEM*

The fire alarm system installed at the central station has worked in a most satisfactory manner and would now be in perfect condition with a few additions. There has been one new box added to the system this year, box 56 at the corner of North and Shannon streets.

### *REMARKS*

With our present equipment Claremont is exceptionally fitted for fire fighting, which has been demonstrated during the past twelve months. With the five men stationed at the Central station it gives a fair working force to fight minor fires.

*EQUIPMENT*

The personnel of the department is as follows:

Chief Engineer and three assistants.

Eagle Hose No. 1, 20 men.

Eagle Hose No. 2, 5 men.

Tiger Hook and Ladder Co., 16 men.

Steamer Claremont No. 1, 4 men.

1 Silsby Steam Fire engine.

Thriple Combination Chemical.

Ford truck.

2 pair horses.

1 hook and ladder truck.

1 hook and ladder sled.

1 hose wagon.

1 hose sleigh.

2 dump carts.

1 dump sled.

2 pair work harnesses.

4000 feet of hose, 7 Pyrene chemical extinguishers, 7 pony chemical extinguishers. Drop harnesses for hose and ladder trucks, 6 foot truss extension ladder, two brace towers and minor equipment.

The work of the department this year has been very creditable and the above report practically covers the work accomplished. Even though there have been no real serious fires there have been several that started out in a way that looked threatening but were stopped before gaining much headway or doing much damage.

The members of the department take pride in their work and their equipment and have proved equal to every emergency that has arisen and with the staunch support of the public and their interest in the department's work improvement is sure to follow. The members feel very grateful and appreciative that their efforts have met with the approval of the public in general and with a continued co-operation feel that their work will improve with each year's service.

C. E. SEARS, Chief Engineer.

## Monadnock Park

---

To the Citizens of Claremont, N. H. :

The Monadnock Park Playground Committee herewith submit a report for your consideration of the work undertaken and accomplished during the past year.

The grandstand, including the indoor rifle range with assembly room, was built at a cost of approximately Thirty-five Hundred Dollars (\$3500.00). One thousand dollars of this amount was a gift from the McElwain Company, to be used for this purpose, for which we take this opportunity to publicly express our thanks.

A piazza was added to the house on the park, and separate toilet rooms for men and women installed, which are open summer and winter.

Two tennis courts were kept in operation during the summer months, and were in such demand that we believe it necessary to add at least one more court during the coming season.

The children's corner was open from May until late in September under the supervision of a trained instructor, who directed the children's play.

Three wire underground cable has been laid to the house and rifle range, so that these buildings are now lighted by electricity. The inside wiring and fixtures in the range were installed at the expense of the Claremont Rifle and Pistol Club.

The foundation of a road extending around the border of the park, from the foot of the Broad Street hill to the Chestnut Street entrance, has been laid. This road is composed of ashes, delivered by the Sullivan Machinery Company, without expense to the park committee.

The skating rink has been kept in operation continuously during the past season, and the Committee takes this opportunity to publicly express their appreciation of the work of Mr. Walter Thomas, who has devoted his attention to the project and supervised its operation every evening and Sunday during the winter season.

About Two Hundred Dollars (\$200.00) was realized

from the rental of the baseball field and grandstand during the past season.

That Monadnock Park is filling a want and need in Claremont is proved by the attendance at the various activities. Over seven thousand people paid admissions to the baseball games last summer, while several hundred people enjoyed the skating on many occasions. The tennis courts, children's corner, rifle range and coasting hill have all been patronized to a large extent.

The high school and grade schools have made much use of the baseball and football fields, and they recently conducted winter sports on the grounds before a good sized audience. No charge for rental is made to the schools, even when admission is charged for the games.

Your committee again requests for your consideration, the the sum of Five Thousand Dollars (\$5000.00) be appropriated for the continuance of this work for another year.

About one half of this amount is necessary each year for the maintenance of the park, and the other half will be expended in much needed improvements.
